

REWARDS

The Cost of education is increasing rapidly even though education has always been out of bounds for the poor and underprivileged sections of the society. FIITJEE took a leap in helping children from extremely backward & poor backgrounds to prepare for JEE Main & Advanced by providing them with Financial assistance. This philanthropic initiative in the form of FIITJEE's Fortunate 40 bore very appreciable results as it empowered many Students from disadvantaged segments to realise their dreams.

A glimpse of such a Life Changing Success Story :

Gulshan Kumar, All India Rank - 122 in JEE Advanced 2023 !

It is being said that prayers when answered with blessings, turn even the impossible into reality! FIITJEE did the same to Gulshan Kumar, who surviving in his poverty-stricken life, always prayed for the finest academic career.

Hailing from a small village, Manpur Patwatoli, Bihar, Gulshan Kumar envisaged becoming an IITian from an early age only. But, he could never give a flight to his academic dreams witnessing the frail financial condition of the family. His father being a cloth weaver could not gather enough money to get him enrolled in an institute that could ensure Gulshan's success in JEE. They were left in despair until they heard of **FIITJEE's Fortunate – 40, a social initiative that provides Free Education** to brilliant students coming from the underprivileged strata of the society. Through this initiative, FIITJEE helped Gulshan by granting him a 100% fee waiver both on its programs and hostel facility. As a result, he could join **FIITJEE's Two Year Classroom Program** and stay at FIITJEE hostel for two years at zero fees. Here, he received the guidance of adept faculty and by having the access to the top-notch study material, he could turn all his academic weaknesses into strengths. And consequently, he was able to achieve All India Rank - 122 in JEE Advanced 2023. FIITJEE feels elated with Gulshan's success and vows to extend all possible support to each and every student who dreams of becoming an IITian.

Our beloved Nation continues to struggle with various problems, prominent ones being; the soaring population, environmental degradation & diseases, poverty, and ineffective school education where a large population of children are being deprived of that as well. Having noticed a great zeal for entrepreneurship amongst Students today, **FIITJEE gives astronomical sums as Cash Rewards to its Students registering notable success in JEE Advanced, JEE Main, Olympiads, XII Board, NTSE & Jr. Olympiads.** These Rewards enable Students to support their Parents financially even when they are studying in IITs. What's more, it also provides enough seed capital for their startup ventures.

However, if two Students secure the same Marks or same Rank, the next Rank will be eliminated while calculating final Rank e.g. if 3 Students secure Rank - 7, then after Rank - 7 the next best Rank would be 10.

In case where both Ranks & Marks are not declared / conducting body of the respective exam does not officially declare the way through which Rank or order of merit of Students can be determined, then an equal Reward (of value as mentioned above for Rank Range of 101 - 200) will be given to all NTSE Scholars.

Note 1 : Only those Long-Term Classroom / Integrated School Programs or Live Online Classroom Programs (through eSchool) Students or Elevate Crash Course Students who maintain a minimum of 90% attendance in classes till the end of respective Program will be given the reward.

Note 2 : Incase of NTSE Open Test Series 100% attendance is a must in all the Tests.
